Y. P. S. C. E. CONCERT

At Martin's Ferry Last Night an Eminent Success.

The Presbyterian church at Martin's Ferry was well filled with the lovers of music last night to hear the concert given for the benefit of the Young People's Society of Christian Endeavor mission chapel. The concert was the best given in Martin's Ferry for many a day. The following programme was carried out:

Chorus—"These Evening Bells," Beethoven.
"Auld Melodie," Lewis.
Premier Club.
Duet—"Lullaby," Williams.
Meads, Lloyd and Mann.
Soprano Solo—"Come to Me," Denza.
Miss Jessie Williamson.
Tenor Solo—"The Sailor's Grave," Sullivan.
Mr. Thomas Lloyd.
"Marianne's Overture," Vernet.
Premier Club.
Soprano Solo—"The Lullaby," Millard.
Mrs. Flora Williams.
Duet Song—"On the Rolling Wave," G. F. Marks.
Mr. J. C. Gray.
Tenor Song—"Auld Melodie," Mr. William Mann.
Soprano Solo—"Afterward," Mrs. Flora Williams.
"Le Premier," Meyer.
Premier Club.
Chorus—"Beauteous Waltz," Taylor.
Choir.

The choir consisted of Mrs. R. R. Kerr, Miss Jessie Williamson, Miss Eloise Gray, Miss Ida Hoyle, Mr. William Mann, Mr. Thomas Lloyd, Mr. Charles Hoyle and Mr. J. C. Gray. Mrs. Williams, Mr. Thomas Lloyd, Mr. William Mann, Mr. J. C. Gray, Miss Jessie Williamson and the choir were all enthusiastically received and encores were numerous. The two former carried the audience by storm.

Miss Bee Thomas, the accompanist, lent valuable assistance. The church should have been packed.

A MYTHICAL GOLD MINE.

David H. Paige's Big Find Doubtful in Rio de Janeiro.

The following extract from the Rio de Janeiro News of January 31, will be of interest to many Wheeling people interested in the whereabouts of the senior member of the ill-fated firm of Paige, Carey & Co.:

"A Cleveland, Ohio, paper published an extract from a letter from David R. Paige, written from Rio de Janeiro, in which he tells his friends he has bought a gold mine near Santos, and that he expects to make \$1,000,000 out of the investment. As Mr. Paige is a fugitive from justice his victims are naturally anxious to know if the story is true, as he promises to return and pay up when his million is made. In all probability Mr. Paige is wearing a borrowed name, consequently we do not know anything about his operations, but we can safely assert that the gold mine near Santos is purely imaginary."

ANOTHER SUNDAY MEETING

To be Addressed by Rev. Dr. A. B. Riker at the Opera House To-morrow.

So much interest has been manifested in the meetings held by Dr. Riker at the Opera House that the audience at the first meeting was asked if a second meeting was desired, and almost every man in the audience responded in the affirmative by rising to his feet. The second meeting was held last Sunday and was no less interesting than the first. A hundred or more young men occupied seats on the stage and led the singing, and fully a thousand men were crowded into the Opera House. It is a difficult matter to hold the close attention of a miscellaneous gathering of men at a religious service in the Opera House, but the audience gave the strictest attention to the clear, attractive and manly talk of Dr. Riker. Perhaps no more valuable and thoroughly helpful sermons have ever been preached to an audience of men in the city. By request of a large number of men another meeting has been arranged for to-morrow afternoon at 3:30 o'clock. The meeting will be under the same auspices as before, and Dr. Riker will preach.

A Striking Picture.

Artist John Myles has just finished a striking picture of the late Dr. W. J. Bates. It was made from a portrait photograph, and the artist encountered many difficulties, but he seems to have overcome all of them and made an almost speaking likeness of the deceased. The expression and color are especially good. Members of the family and friends of the late physician who have viewed the picture say that it is a faithful portrait.

The Great "Fire Patrol."

A large crowd saw the second production of "The Fire Patrol" at the Grand opera house last night, and to say that all who saw the elegant performance were pleased is but stating a fact mildly. The show is one of the strongest seen at the Grand this season and is put on by a company of celebrated artists. "The Fire Patrol" will be re-

peated at the matinee this afternoon and will close their engagement to-night. Seats at O. C. Genthner's.

OHIO RIVER WRECK.

A Passenger Coach Demolished Near Glenwood Yesterday.

There was a wreck down on the Ohio River railroad near Glenwood about 7:30 o'clock yesterday morning that nearly proved disastrous to both the train and passengers. Train No. 2, north bound, leaves Huntington at 5 o'clock in the morning, and everything went all right until the train rounded in above Glenwood, a small village, where there is a side track. On this track an empty box car was standing, which had been run onto it the day before and left without the brakes on. The high wind during the night had blown the car bodily some distance toward the main track. When the engineer of the passenger train caught sight of the car he immediately saw it was too near the main track for his train to pass in safety, so he reversed the throttle as quickly as possible and put on the air brakes, but as he was running over twenty-five miles an hour it was an actual impossibility to stop in time. The engine passed in safety, but the mail car in charge of Postal Clerk Charley Hawkins struck the box car, and swung the latter half way round, so that the rear or ladies' car struck it with great force and caused it to run for some distance on one side. Fortunately, however, the coach did not turn over, in which case several fatalities would have been inevitable. There were no ladies in this car, but several men were thrown across the car. The train was soon stopped, when it was seen that the ladies' car was almost demolished on the side which struck the box car.

After some delay the train proceeded, and at Parkersburg the coach was left for repairs.

The escape was a narrow one. Had the box car been loaded it would surely have thrown and overturned two passenger coaches.

GOING IN STYLE.

The Wilson Tariff Students and Their Trip to the Inauguration.

The William L. Wilson Tariff Students are going to the inauguration at Washington in great style and are sparing no expense in their arrangements. It is safe to predict that no civic organization in the big parade on March 4th will attract more attention or be there under better auspices. Their special train which will leave here next Friday afternoon will be composed of six vestibuled sleepers equipped for the occasion. Monday night "the boys" will hold a meeting to make the final arrangements, and at that time all members who expect to take in the trip and have not come up with their subscriptions must be on hand. It will be the last opportunity to be measured for uniforms and the last opportunity for the tardy ones to "join the procession."

It was learned last night that the Young Men's Democratic Club, which organization was expected to join the Students in the trip to Washington, has decided to go independently. The decision is construed by some to mean that they have virtually abandoned the idea of going as a club. The "Students" are not worrying themselves over the matter. They only say that the Y. M. D. C. will miss a good thing.

Among the pleasurable anticipations of the trip is a serenade which the Students will tender to Hon. William L. Wilson, their patron saint, at his Washington residence. It will be a memorable night for Mr. Wilson, his namesakes and the pride of Wheeling, the Opera House band.

NOTES ON NAVIGATION.

Stage of Water and Movements of Boats. The River Interests.

Yesterday's arrivals and departures were: Iron Queen, for Pittsburgh, 11 a. m.; Ben Hur, for Parkersburg, 11:30 a. m.; Scotia, for Cincinnati, 7 p. m.; Courier, for Pittsburgh, 10 p. m.

To-day the Congo, for Pittsburgh, 10 a. m., having been detained in Cincinnati by high water, being unable to get above the bridges. The Iron Queen was also detained by the same cause, the owners being compelled to cut off the tips of the pilot house and bend the whistle to get away.

To-morrow the Ben Hur, for Pittsburgh, 4 a. m.; Lizzie Bay, for Pittsburgh, 6 a. m.; Keystone State, for Pittsburgh, 9 a. m.; Courier, for Parkersburg, at noon; Congo, for Cincinnati, 5 p. m.

We Cannot Afford to Deceive You. If we should treat you for any disease, and benefit or cure you, your influence would be worth more to us than the small amount of money which you would have paid us; but if we should fail to accomplish what we promise, your valued influence would be against us. Hence, we shall always decline to treat any case in which we have doubts of our ability to give good satisfaction; for we flatter ourselves that we are possessed of a full amount of "business sense," too much to allow the dimo in hand to obscure the beautiful vision of the dollar beyond—which there is in a good reputation.

They Never Fail.

J. N. Harris, 3 Fulton Market, New York City, says: "I have been using BRADNETH'S PILLS for the last fifteen years. There is nothing equal to them as Blood Purifiers and Liver Regulators. But I wish to state how remarkably they cure rheumatism, and how easily; I was affected by rheumatism in the legs. My business (wholesale fish dealer) naturally leads me to damp places. I could not walk, and at night I suffered fearfully; I tried Balsams, Sarsaparillas and all kinds of tinctures, but they did me no good and I was afraid of being a cripple. I finally commenced using BRADNETH'S PILLS. I took two every night for ten nights, then I began to improve. I continued taking them for forty days and I got entirely well. Now, whenever sick, I take BRADNETH'S PILLS. They never fail."

Allow me to add my tribute to the efficacy of Ely's Cream Balm. I was suffering from a severe attack of influenza and catarrh and was induced to try your remedy. The result was marvelous. I could hardly articulate, and in less than twenty-four hours the catarrhal symptoms and my hoarseness disappeared and I was able to sing a heavy role in grand opera with voice unimpaired. I strongly recommend it to all singers.—William H. Hamilton, leading basso of the C. D. Hess Grand Opera Company.

Manager Smith, of the Mining & Manufacturing Company, is very busy getting ready for spring work and indications are that there will be quite a stir here in the spring. Of course the company has no public announcements to make yet, but much work is being laid out and should the financial and industrial condition of the country continue favorable there will be many favorable developments soon. Mr. Smith has already proven that he is the right man for the position to which he has been called.

Preparations are being made for a teachers' institute to be held at the high school building in this city March 4. An effort is being made to have as many of the teachers of this county present as possible, so that the meeting will be more than a local one.

Hip Disease

A Boy's Terrible Experience

Given Up by Physicians—Considered a Confirmed Cripple

"For the benefit of other sufferers we state the case of our boy, who was taken with hip disease five years ago, when three years old. The trouble began with stiffness and severe pain in his knee, which suddenly went to his hip. The doctor pronounced it a genuine case of hip disease, and said if he lived he would

Always be a Cripple. Imagine our feelings! Charlie was entirely helpless. When we went to his bed to move or turn him for rest, he would scream as though we were murdering him. After two months, I happened to read of a similar case cured by Hood's Sarsaparilla. It is hardly necessary to say that I pulled for a drug store and got a bottle. This was in April. We gave it to our boy, and in July several places on his hip gathered and broke. When we had taken a bottle and a half of the Sarsaparilla we saw that his general

Health Was Improving. His color was better. In fact he was better in every way. The sores entirely healed up. We got him crutches and he walked with them for nearly two years. He grew stronger, and now for two years has had no sores, and has not used a crutch for over a year. He helps a little
